VERNISSAGE

Thursday, January 12, 2012

From 5 pm - 7 pm

Exhibiting artist, Maria Ezcurra, will be making a series of actions for creating a textile installation in the Ste-Catherine Street Vitrine. Working with collaborators from Concordia University, Ezcurra will be cutting and extending donated pieces of their garments on the vitrine wall. Taking place every Wednesday and Thursday at 5:30 pm, the repurposed garments will multiply and create a collective composition made of each of the participants individualities.

The first action is performed on Thursday, January 5th at 5:30pm and happens every Wednesday and Thursday with the last performance taking place Wednesday, January 25.
